

OSA 0627-63

6 FEB 1963

MEMORANDUM FOR: Chief, Materiel Division, OSA
THROUGH: Chief, Programs Staff, OSA
SUBJECT: Electronic Data Processing Equipment

1. Request the following equipment be requisitioned on a rental basis for installation and use by the Operations Division, Automation Branch, OSA. Recommend use of the highest possible priority to insure delivery of equipment not later than 31 March 1963.

- a. IBM Printing Card Punch, Alphabetical, Model Number 26
- b. IBM Verifier, Alphabetical, Model Number 56
- c. IBM Card-Controlled Tape Punch, Model Number 63

2. Recommend this equipment be delivered to DDS/OCS where appropriate arrangements will be made for further transfer of the equipment to the proper area on the sixth floor. Contract maintenance for subject equipment can probably be arranged by use of cleared personnel employed in OCS.

3. The requirement for this equipment was justified in Activity Program 63-1 and approved by the Deputy Director (Research) on 22 December 1962. Additional information concerning this equipment may be obtained from [redacted] OSA/DD/AB, ext. [redacted]

4. Funds to cover this requirement are available in the current FY 1963 allocator to OSA-DD/R, under line item entitled "OSA Headquarters Overhead".
